# CORE-LEAD ELECTRO-MECHANICAL SERVICES

COMPANY  
PROFILE

# Business Overview

At CLEMS, we are experts in oil-flooded rotary screw, piston, and vane compressors. With years of experience, we specialize in airline installations, air dryer repairs, airline filtrations, star-delta electric panel rebuilds, air end overhauls, and fault finding on air compressors. Our commitment is to provide top-quality services and solutions to meet all your compressor needs.

## Our Product and Services

**Industrial Water Chiller**

**Air Compressor Unit and Parts**

**Consumables, Filters and Separator**

**Preventive and Corrective Maintenance**

**FREE Checkup and Inspection**

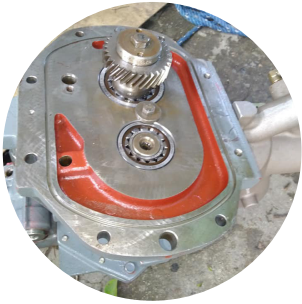

### WELCOME TO CLEMS

At CLEMS, we specialize in providing top-quality services for all types of compressors. From repairs and maintenance to supplying new and second-hand compressors, we have you covered. Our team of experts is dedicated to ensuring the highest level of customer satisfaction.

### OUR SERVICES

Discover our wide range of services, including compressor repairs, maintenance, assessments, and more. We offer minor to major compressor services, compressor hiring, and the supply of new and second-hand compressors. Our team also provides parts and spares for all your compressor requirements, ensuring optimal performance and longevity.
